

Attorney Docket No. 82522

**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**

In re Application of:

Ram Singh RANA et al.

Serial No.: 10/624,679

Filed: July 23, 2003

For: LOW SUPPLY-SENSITIVE AND WIDE TUNING-RANGE CMOS LC-TANK  
VOLTAGE-CONTROLLED OSCILLATOR MONOLITHIC INTEGRATED CIRCUIT

**STATEMENT UNDER 37 C.F.R. § 1.28 (c)**

Applicant submits that small entity status was erroneously established and that applicant is not eligible for small entity status. At the time of filing on July 23, 2003, small entity status was established in good faith and no fraud was intended.

The application filing fee was calculated in error to the amount of \$375.00 for a small entity. Check No. 19006 in the amount of \$375.00 was submitted to the U.S. Patent and Trademark Office on July 23, 2003. The current filing fee for a large entity is \$750.00. The calculated difference between the current fee amount and the amount of the previous (small entity) fee payment equates to \$375.00. Check No. 19371 in the amount of \$375.00 is attached herewith and accounts for the deficiency thus owed.

The attached deficiency payment and this submission operate as a notification of loss of entitlement to small entity status. All questions should be referred to the undersigned attorney.

Respectfully submitted,
